## NGĀ POU O E TIPU E REA WHĀNAU SERVICES

Another year passed and E Tipu e Rea Whānau Services continues to provide well needed quality services to support mātua taiohi, hapū māmā and their pēpi to move closer to achieving their goals of growing, thriving, and becoming rangatira within their whānau and community.

E Tipu e Rea has also successfully secured housing innovation funding to support ending homelessness, and a contract to provide transitional housing for mātua taiohi, hapū māmā and their pēpi. The housing complex will be based on a papakāinga model developed by E Tipu e Rea Whānau Services. E Tipu e Rea Whānau services has been single minded about achieving this goal due to the continuous housing stresses hapū māmā, mātua taiohi and their tamariki face.

We continue to build our relationship with Ngāti Pāoa Iwi

Trust, with partnership hauora events with more planned for the up-and-coming year. Having a strong relationship with Ngāti Pāoa who are mana whenua of places and spaces in Tāmaki allows us to better connect mātua taiohi, hapū māmā and their whānau with the history of Tāmaki, and with opportunities to connect with their own identity, hapū, iwi and te ao Māori. As part of our relationship with Ngāti Pāoa, we have welcomed Rangitahi Pompey our Ngāti Pāoa representative to the E Tipu e Rea Whānau Services Board, her cultural knowledge of Ngāti Pāoa and expertise in matauranga Māori and the social services environment is an invaluable contribution to the Board.

E Tipu e Rea has also employed several new staff including a Housing and Whānau Violence Lead, and a Youth Support Worker. E Tipu e Rea have delivered a range of Covid prevention and childhood immunisation initiatives.

E Tipu e Rea is looking forward to the future with several new contracts due to commence in the new financial year. We also thank the generosity of DebtManagers who have donated to us this year enabling us to further support young whānau with a range of new initiatives, as well as Littlemore, Period Place, Nest Collective, Mummys in Need, individual community donors, Simpson and Grierson (pro bono work for us), and to all of our government funders for the 2021-2022 year.

Lastly, the team and the Board want to take the time to acknowledge the loss of Eliza, our E Tipu e Rea Whānau photographer who passed tragically in 2022 through whānau violence. We look to do more work in this area so that we can prevent whānau violence in the lives of young parents. He maimai aroha ki a koe, Eliza.

# KAIWHAKAKAHAERE MATUA

The last 12 months continued to bring significant growth for E Tipu e Rea Whānau Services. The team have worked tirelessly to expand E Tipu e Rea, with a particular focus on achieving our vision of housing for hapū māmā, mātua taiohi and their pēpi. We are excited about successfully becoming transitional housing providers and look forward to implementing our papakāinga modelled housing complex for wahine hapū, mātua taiohi and their tamariki. The team continued to juggle the demands of Covid-19 and its impact on hapūtanga care, young parents and their wider support systems. Despite the challenges of covid we can deliver a 2021-2022 annual report that celebrates service progress and some fantastic achievements reached by the whānau we work alongside. We value greatly the growing skills and expertise of our team and the growing range of events and services we are now delivering because of them. During the 2021-2022 year, we welcomed Amiria Makoare, our new Youth Support Worker; Emmaline Pickering-Martin, our Policy and Advocacy lead; Cindy Kawana, our Housing and Whānau Violence Prevention Lead; and Joanne Teina, our Lived Experienced Maternal

and Perinatal Mental Health and Hapūtanga Wānanga Lead. We have also prioritised our special relationship with Ngāti Pāoa Iwi Trust and thank them for their ongoing support. We also want to acknowledge the Pāoa cultural knowledge and support we have received from Harley Wade, Drina Paratene, Rangitahi Pompey, Herearoha Skipper, and the encouragement provided by Darna Appleyard, Kerrin Leoni, and other Pāoa Iwi Trust members and wider Pāoa whānau. We have just completed our first Pāoa and E Tipu e Rea partnership event, "Ko Te Reo Te Hauora, Ko Te Hauora Te Reo", for hapū māmā, mātua taiohi, their tamariki and the wider community. This event was held in Panmure, a historical, cultural and spiritually significant area for Pāoa. Over 100 young whānau, hapū māmā and Panmure community members attended to celebrate te rangaihi reo Māori and hauora. Childhood vaccinations, covid boosters, flu jabs, whānau wellbeing activities, hauora kai, te reo Māori games and giveaways, mirimiri and more were all part of the day. We look forward to working with Pāoa on more hauora events and initiatives. We have also seen an increase in media

coverage with the team and young parents and wāhine hapū speaking out on issues such as alcohol harm, service and societal discrimination, housing, maternity care, and perinatal mental health. Systemic advocacy is a vital part of our work. Being able to influence the systems that create barriers to the well-being of parents and their pēpi will always be a component of our service until we see tangible change. We appreciate the resourcing from Todd Foundation and JR McKenzie to allow us to contribute to influencing systems and structures, public opinion and policy. I want to thank our Board, our funders, those who donate to us, and the E Tipu e Rea team for their continued dedication to their work, their advocacy and wrap-around social and health support for wahine hapū, mātua taiohi and their tamariki, and for their overall commitment to achieving equality for whānau, hapū and iwi in Tāmaki. As an organisation, our future looks bright, and more importantly, the future of the young whānau we support looks bright. E tipu e rea mo ngā rā o tō ao – grow up and thrive for the days destined to you.

## NGĀ REO O E TIPU E REA WHĀNAU KAIMAHI

Alina

*"2022 what an amazing year, I have super wahine who have achieved their goals, from gaining their driving licences (learners, restricted & full) , attending higher education, doing the young parents program at living and learning and finding employment that works in with their tamariki. Housing is always challenging in both private and public, we have had some fantastic housing opportunities with working alongside other organisations."*

Laifaiga

*"It has been awesome to watch the organisation grow and be able to reach more mātua taiohi than ever before. We have been able to hold bigger events and have had the ability to reach young parents in more creative and strength-based ways. Look forward to even more growth and seeing what the future holds for E Tipu e Rea Whānau."*

Lauren

*"What a massive year we've had! Three new kaimahi and a student placement, two huge childhood immunisation events, another learner license course with 10 mātua taiohi passing their license, many whānau housed, regular hapūtanga wānanga, and lots of cuddles with gorgeous pēpi. I have really enjoyed building and extending my relationships this year – with my hoamahi, with the young māmā, and with others around the community who support the mahi we do. I am really proud to be part of E Tipu E Rea, and I'm excited to see what is in store for us next year!"*

Emmaline

*"The policy and advocacy mahi for the organisation in the past year has been steadily growing. We have more visibility in the mainstream media space and have platformed ourselves well to move forward into the next year. Our young people have had the opportunity to speak to social issues that affect them, and they have shone in their media appearances. I have loved being able to work alongside our kaimahi and extended E Tipu E Rea whanau to grow our visibility and to be proactive and responsive to social policy issues. Advocating for our young whānau will only step up in the next year with election season and the continuous challenges of the cost of living, housing and the welfare of rangatahi."*

Tahlea

*"2022! What an awesome year for me. I have enjoyed all the new programs we were able to introduce to the organisation this year whilst navigating through Covid and omicron with our whānau. I am proud that we were able to strengthen our foundations with more community organisations and creating good lasting relationships. Bring on 2023! MAURI TU, MAURI ORA!"*

Amiria

*"I have enjoyed my start at E Tipu E Rea. I absolutely love what they do and what they stand for! All the kaimahi are great at what they do and care for all who come to our whare."*

Cindy

*"This year has been an exciting year for our housing journey. We have been successful in becoming an approved Transitional Housing provider. It is great for the soul when the work that is done has a direct effect on whānau who need support. Next year will bring further development for our housing dream; the next one will be the development of a purpose-built papakāinga. I am really thankful to the team for making me feel part of it, indulging me with new ideas that I bring (even the challenging ones) and for also including me in the work that they do supporting whānau; mine would have no meaning if they didn't keep me connected to them."*

# MAHERE RAUTAKI 2022-2023

*Our strategic plan 2022-2023 continues to focus on three areas:*

- 1: *Whānau Whirikoa – Whānau Strength Building*
- 2: *Piri Ngatahi – Partnership (In particular with Ngāti Pāoa)*
- 3: *Tupu Kia Hua – Sustainability and Growth*

*These three strategic plan areas will allow us to continue expanding the work we do under our three pou:*

- **Whānau:**  
Supporting hapū māmā, mātua taiohi, and their tamariki to gain the tools and skills to fulfill their potential, build on their hauora and strengthen as a whānau. Individual and systemic advocacy are also part of our whānau tautoko.
- **Whakapapa:**  
Encouraging and supporting mātua taiohi and hapū māmā to reconnect with their hapū, their whenua, and their whakapapa, because this has an immeasurable impact on their hauora wairua. As well as, celebrating and sharing the whakapapa of Ngāti Pāoa in Tāmaki.
- **Te Ao:**  
International teen pregnancy rates are most represented by indigenous peoples, and a colonial stigma victimises and sidelines teen mothers as an economic problem. Our kaupapa is to dismantle that stigma by helping mātua taiohi enact their rangatiratanga.
